A letter from A. P. Rosselot, Secretary, Westerville, Ohio, dated may 3, 1932 notifying the Board that the college was admitted to membership in the Ohio College Association on the 9th of April, 1932 was presented and ordered spread upon the minutes.

OHIO COLLEGE ASSOCIATION
Office of the Secretary

Westerville, Ohio
May 3, 1932

President
Board of Trustees
Bowling Green State College
Bowling Green, Ohio

My dear Sir:

It is with great pleasure that I officially inform you of the fact that at its last meeting, held in Cleveland on the 9th of April this year, the Ohio College Association admitted to its membership Bowling Green State College. We are pleased at this action as well as you and hope that the relationship of Bowling Green State College to the Ohio College Association will always be very pleasant.

Yours very truly,

(Signed) A. P. Rosselot

Secretary

APR:RB

A letter under date of May 3rd from Howard P. Warwick, Director of Service of the City of Bowling Green notifying the Board of Trustees that its bid of \$2200.00 for inlots #247, 248, 249, and 250 had been accepted was read; also a letter from Dr. Williams to Mr. Warwick outlining the steps necessary in making the transfer. Moved by Snyder and seconded by Brown that the purchase be approved and that payment be made from dormitory balances subject to the approval of the Attorney General and Auditor of State. Voting aye: Johnston, Brown, Snyder. Motion carried.

An opinion of Hon. Gilbert Bettman, Attorney General of Ohio, in answer to the questions submitted to him under date of February 5th in connection with the reports on the failure of the ceiling of the vocal studio was read and ordered spread upon the minutes.

OFFICE OF THE ATTORNEY GENERAL
State of Ohio
Columbus

April 20, 1932

Dr. H. B. Williams,
President, Bowling Green State College,
Bowling Green, Ohio.

My dear Dr. Williams:

After a careful consideration of the correspondence file submitted by you pertaining to the failure of the ceilings at the new Recitation and Departmental Building at Bowling Green State College, a personal conference with Hon. John P. Schooley, State Architect and Engineer, and a study of the specifications covering the erection of the said building, as prepared by S. P. Stewart & Son, Architects, of Bowling Green, I have come to the following conclusions with respect to your three inquiries:

First: No new additional information need be submitted by your board for me to advise you as to your further procedure.

Second: No firm or firms in my opinion are legally responsible for the collapse of the ceiling of the Vocal Studio, for the unsafe condition of other ceilings where the same sound deadening material was used or the damage to furniture and fixtures.

Third: In view of my two foregoing conclusions, the situation does not call for any legal action on my part.

In explanation of the above answers to your inquiries, I have found that there is a wide latitude in the interpretation of the specifications for the building, due to the fact that the Alternate No. G-4 (page 91 of the specifications), which was accepted, authorizing the use of bar joists in place of concrete pan construction as specified in the general specifications, did not specifically state the type of sound deadening desired. Consequently, there could be two interpretations - first, that this alternate included no sound deadening whatever, and, second, that said alternate was only a part of the floor construction, and that the sound deadening material would remain unchanged.

Obviously, the specifications were ambiguous and the matter should have been settled at the time the board of trustees accepted the alternate. Since this was not done and the sound deadening was used later with no fraudulent intent, so far as can be seen, to cheapen the work, it would plainly be difficult to show dishonesty on the part of either the general contractor or the architect.

It is true that there are guarantee clauses in the specifications (10 b and c, page 6), protecting the State against the incorporation of imperfect materials in the building. It is very questionable, however, whether or not these clauses could be used against the contractor or bonding company, due to the fact that the materials used were according to specification, and there appears to be no evidence of fraud.

Regretting exceedingly the conclusion at which I am forced to arrive, but assuring you of my desire further to confer on this matter with your board if it so desires, I am

Respectfully,

(Signed) Gilbert Bettman

Attorney General.

Dr. Williams submitted a letter dated April 23rd addressed to Mr. B. A. Stewart of S. P. Stewart & Son concerning replacement of ceiling of vocal studio and removal and replacement of other ceilings of the Practical Arts Building where sound-deadening material was used. Moved by Snyder and seconded by Brown that the instructions prepared by Dr. Williams and accepted by S. P. Stewart & Son by B. A. Stewart be approved. Voting aye: Johnston, Brown, Snyder. Motion carried.

Bowling Green, Ohio
April 23, 1932

In a conference on the above date with Mr. B. A. Stewart I suggested that if he were willing to do so without formal action of the Board, he proceed to work out plans and specifications, bill of materials, and estimate of costs, for making the following repairs in the Practical Arts Building:

1. New ceiling for vocal studio.
2. Removal and replacement with such modifications as may be considered desirable of all ceilings where lime and saw-dust deadening material was used with the exception of the ceilings of the apartment. This item should also include the ceilings of the apartment, all or in part, according to the results of a careful examination of their present condition.
3. All damages to sidewalls, floors, and permanent fixtures which were included in the original contracts to be included in the repairs so as to leave the building and grounds throughout in as satisfactory condition as originally provided by the plans and specifications.

It was further suggested that the owner and architect confer and mutually agree with reference to details of the

MC MANUS-TRUMP CO., TOLEDO, OHIO-72773

construction to be used, especially in respect to overcoming any defects that unexpectedly developed in connection with the original construction.

(Signed) H. B. Williams

c. c. to S. P. Stewart & Son

We hereby accept the provisions of the above suggestions and will proceed at once with our part of the work.

(Signed) S. P. Stewart & Son

By B. A. Stewart

Dr. Johnston reported that the special committee appointed at the last meeting to confer with the Attorney General regarding the proper procedure in respect to the Students Union Building had taken the matter under consideration, but decided to delay any further steps for the present.

Attention was called to the fact that dead trees on the campus had been removed, young trees planted and some evergreen shrubbery planted at the Practical Arts Building and the President's Home.

Dr. Williams raised the question of the adjustment of summer session salaries. Moved by Snyder and seconded by Brown that the summer salaries be based on the summer salaries for 1931 with a reduction of 3% and subject to additional reductions as may be necessary to keep salaries within multiples of \$10.00. Voting aye: Johnston, Brown, Snyder. Motion carried.
